SDI'S 35<sup>TH</sup> ANNIVERSARY GALA  
FEATURING DON'S 80<sup>TH</sup> BIRTHDAY

# ABOUT US

## Warner Bros. Special Events:

Warner Bros. was born from a gamble. A gamble four ambitious brothers made with the world that audiences would gravitate to the 'talkies'— motion pictures that synced speech with sound. As with most landmark innovations, early attempts proved wildly unsuccessful. But on October 6th 1927, Warner Bros. released *The Jazz Singer* and changed entertainment forever.

Now you can bring your guests to this world-famous studio for your next event and get a behind-the-scenes look at this rich history as well as what we're working on today. From concept to clean up, the Warner Bros. Special Events Department can handle it all. With unprecedented access to the artists and craftspeople who make movie magic, the team of talented professionals at Warner Bros. can help stage your perfect event and guarantee a standing ovation.
